NARRATIVE:

Deion Walker, is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include vehicular manslaughter, assault with a deadly weapon causing great bodily injury, burglary, knife weapons violation, possession of controlled substances, possession of marijuana and suspended license. He has served multiple state prison terms, the longest being a 7 year term for burglary. Walker was released from state prison to the supervision of the Los Angeles County Probation Department on January 17, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2015 after he absconded from post release community supervision (PRCS). Walker qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for knife weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member association and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
